FALL MEANS HUNTING SEASON

Here in the U.P., the opening day of hunting season is a day that many people feel should be declared a national holiday. Over the next few months as you pass through town you will here hunting stories from all ages, see big buck photos in the Menominee County Journal, and feel the warmth of fall when talking to friends and neighbors. September starts off the black bear season, followed by October with the archery season and the most famous opening day of all November 15th, the first day of rifle season. As this wonderful time approaches, its a great time to visit the SMC Feed Mill. We offer deer blocks and minerals, boots, gloves, and much more. SMC is excited to offer our own custom deer feed. Made up of corn, molasses, and oats. It is sure to give your deer a tasty treat. This mix is only available September - December so make sure to stop in to get some soon. Good Luck Hunters!!

The photo above is from the 2019 Archery Season. Beau Vandenberg along with his brother Ben live for all things bow hunting.

**STEPHENSON MARKETIING
COOPERATIVE WANTS TO WISH ALL
THE AREA HUNTERS A SAFE HUNTING
SEASON.**

BIG BUCK NIGHT 2020

SMC is a proud sponsor of the annual Big Buck Night that is held at Belgiumtown Bar and Restaurant in Daggett. The 2020 event is scheduled for November 18th. Big Buck Night is fun for the whole family; with prizes and big buck stories it's a fun time for any hunter. For more information visit the Belgiumtown Facebook page or the SMC Facebook Page.

****THE EMAIL MUST INCLUDE THE FOLLOWING:**

- YOUR NAME
- SERVINGS
- PREP AND BAKE TIME
- INGREDIENTS LIST
- DIRECTIONS

TO HAVE YOUR FAVORITE RECIPE FEATURED IN A FUTURE COPY OF THE SMC NEWSLETTER EMAIL THE RECIPE TO INFO@SMCCOOP.COM

SMC SERVICE GARAGE NOW OFFERS BRAKES

The Stephenson Marketing Cooperative Service Garage is excited to announce that we will now be providing brake services. Its important to have your breaks checked every 6000 miles or when you have your vehicle's oil changed and tire rotated.

Some signs that your brakes need to be checked or replaced are:

- Vibrating break pedal
- Break pads appear to be a less than a 1/4 inch thick
- Indicator light
- Deep grinding metal sound
- Squeaking or squealing noise coming from breaks

Call 906-753-2207 or stop by the SMC Service Garage for a brake service estimate. You can also book oil changes and tire services on our website www.smccoop.com.
