2020 MENOMINEE COUNTY FAIR GOES VIRTUAL

Like many events this year the 2020 Menominee County Fair was held virtually. This was a challenge for fair exhibitors that were showcasing their animals, crafts, and food products. Each year fair goers, family, and friends enjoy watching the livestock shows and the youth exhibitors show off their steers, goats, sheep, dairy, and much more. This year each youth submitted a video with their animal to be judged. The 2020 Grand Champion for Beef was won by Alexis Strom, Grand Champion Lamb was won by Eli Kordish, Rebecca Havelka took the dairy class by storm winning grand and reserve champion. One of the popular events at the county fair is the queen and princess contest. The 2020 Fair queen is Rebecca Havelka. Congratulations Rebecca and all the 2020 Exhibitors! For more results from this year's virtual fair visit the Menominee County Fair Facebook page www.facebook.com/menomineecountyfair

EMPLOYEE SPOTLIGHT: JAYME HEIDTMAN

If you have been to the Stephenson feed mill location recently you might have noticed a new face loading your feed. Early in the spring of 2020 we welcomed Jayme Heidtman to the SMC team. He is a vital part of SMC with assisting customers with feed orders and making sure the feed mill is stocked and ready to go. We asked Jayme what he likes most about working for SMC, he shared with us that he enjoys meeting new people and customers. One of Jayme's favorite holidays is Halloween. When he is not working, Jayme enjoys going fishing.

NEXT ISSUE

- EMPLOYEE SPOTLIGHT

SMC bulk plant tank located on US Highway 41 in Bagley. During the month of July the tank receives an update with new graphics. Make sure to check it out next time you are heading North on US Highway 41.

PROPANE CONTRACTS

It's that time of year to select your winter propane contract. SMC Propane Department is pleased to offer three contract types; Pre-buy, budget, and ceiling. Contracts for 2020-21 will be mailed in early August. The selected program and contract needs to be returned to the propane department by August 31st. If you have any questions, comments, or concerns please contact the propane department at 1-800-252-8604. For more information on what each contract is, visit our website at smccoop.com and click the propane tab to learn more.

PROPANE SMALL -CYLINDER SAFETY

- Never store or place a propane cylinder in an area of excessive heat
- Never store or place spare cylinder under or near a barbecue grill
- Always transport and store a cylinder in a secure and upright position so it will not fall, shift or roll
- Never keep a filled cylinder inside a hot vehicle or transport inside a closed truck
