TRIBUTE EQUINE NUTRITION

Tribute Equine Nutrition is a quality horse feed that delivers results and is affordable. Each product is specially formulated to suite any horse. One of their products is Senior Sport. Senior Sport contains high fat, high fiber and is a great supplement for poor quality hay. If you don't know which product is best for your horse SMC recommends checking out tributeequinenutrition.com to see their full lineup. When speaking with our Tribute Equine Nutrition representative Tyler Cappaert he said "We have a few nutritional seminars coming in the future. It is beneficial for people who want to learn more about these products. During the seminar we have a Q&A and all of your questions can be answered." For upcoming seminars be sure to check out Facebook and hit like on Tribute Equine Nutrition. SMC has a poster at both mills that displays all the different grains and explains which one will benefit your horse best. If there is a product that you see on line that we don't carry it, just ask someone at SMC and we will work together on getting that product delivered to the mill.

MENOMINEE COUNTY 4-H EXPLORATION DAYS

Are you a youth between the ages of 12 and 19? Have you ever thought about going to college and wondered if it was right for you?

Menominee County 4-H has an opportunity for you to experience college life; living in a dorm, eating in the cafeteria, and taking classes on campus just like a Michigan State University student. Michigan 4-H Exploration Days is June 22-26, 2020. Youth choose from more than 200 sessions. These sessions range from animal and vet science, business and entrepreneurship, clothing and textiles, food and nutrition, sports, outdoor adventure, and STEM to name a few. Youth attending from Menominee County take a charter bus to campus. Prior to our arrival, Menominee County takes a side trip to scenic sites around Michigan, Wisconsin or Illinois. This year's trip will be to Saugatuck Dunes. We will be exploring the dunes via a nineteen-passenger dune buggy. Registration books will be in the county office the first part of March. Menominee County 4-H programs is also selling Seroogies candy bars to help defray the cost to attend this program. If you have any questions on this program or any other 4-H opportunity please call Kristin Havelka, Menominee County 4-H

Program Coordinator at (906)753-2209 or via email at mortonk@msu.edu.

DEWAYNE ZEMBA

The March employee spotlight is Dewayne Zemba. Dewayne has been with Stephenson Marketing Cooperative for 43 years. He currently works in the propane department as one of the propane drivers. He has also worked in the Mill and Service Garage before taking his current role in October of 2005. When asked what Dewayne likes about working for SMC he shared "he enjoys the people that he works with" When he is not at work he enjoys spending time with his wife and his children. Dewayne said that his favorite hobbies are hunting, fishing, and caring for his small herd of Hereford beef cattle. Next time you see the Dewayne while he is out delivering propane make sure to say hello!

REMINDER: PLEASE MAKE SURE YOUR PROPANE TANK HAS A CLEAR PATH TO RECEIVE PROMPT SERVICE. THANK YOU!
